

Planning & Pledge Form

stew·ard·ship

noun

1. the job of supervising or taking care of something, such as an organization or property.

As we enter what we call "stewardship season" at NACC, we are invited to plan and share how we all can be stewards to each other, our community, and our property/building. There are many ways in which a person can be a steward - through time spent, talents shared, financial gifts/resources, mental and emotional energy, and so much more. This is a great chance for us to get creative and think of the ways we can offer what we have in stewardship to each other and is a beautiful step into the way of Fierce Love!

Please feel free to fill out as many or as few form fields as you'd like. Also, please know you can choose one of the examples given, but are not limited to them, as we know our gifts and talents are wonderfully varied!
